CONFERENCE OF PARTIES TO THE CONVENTION ON THE PROTECTION AND PROMOTION OF THE DIVERSITY OF CULTURAL EXPRESSIONS

Fifth ordinary session
Paris, UNESCO Headquarters, Room II
10-12 June 2015

Item 15 of the provisional agenda: Election of members of the Committee

Pursuant to Rule 16 of its Rules of Procedure, the Conference of Parties elects half of the States Members of the Committee every two years.

Decision required: paragraph 13

1. In accordance with Article 23, paragraphs 1 and 4, of the Convention, the Conference of Parties elected, at its first ordinary session, an Intergovernmental Committee for the Protection and Promotion of the Diversity of Cultural Expressions, hereinafter referred to as “the Committee”, composed of 24 Members. Since then, there have been four elections. An overview of the results is provided in Annex I.

2. In accordance with Rule 17.1 of the Rules of Procedure, the Secretariat requested all States Parties, three months before the opening of this fifth ordinary session of the Conference of Parties, whether they intended to stand for election to the Committee. The provisional list of candidates is provided in document CE/15/5.CP/INF.3. In accordance with Rule 17.3, the provisional list will be finalized 48 hours before the opening of the Conference of Parties. No candidacy will be accepted in the 48 hours preceding the opening of the Conference.

3. Rule 16 of the Rules of Procedure of the Conference of Parties provides that the **term of office** of the States Members of the Committee is four years, in accordance with Article 23.1 of the Convention, and “a Member cannot be elected to two consecutive mandates unless a regional group presents a ‘clean slate’. A clean slate means that the number of candidates is the same as the number of vacant seats.

4. Rule 15 of the Rules of Procedure of the Conference of Parties provides for **election on the basis of the composition of the electoral groups** of UNESCO, as determined by the UNESCO General Conference. In accordance with the practice of the UNESCO General Conference, Group V is composed of two subgroups, Group V(a) for African States and Group V(b) for Arab States.

5. The voting system is based on the **pro rata principle**, under which the number of Parties in each electoral group is divided by the number of States Parties to the Convention and the resulting percentage figure is multiplied by the number of available seats. As at 10 June 2015, the Convention is in force in 135 States Parties and 1 regional economic integration organization (see Annex II).

6. In accordance with Rule 15 of the Rules of Procedure, for the purposes of the election of the Members of the Committee at the fifth ordinary session of the Conference of Parties, the **pro rata distribution of the 24 seats** among the six electoral groups is as follows (see Annex III for list of States Parties according to electoral group calculations in accordance with the pro rate principle):

- Group I represents 17.03% of States Parties to the Convention, or 4.087 seats;
- Group II represents 17.03% of States Parties to the Convention, or 4.087 seats;
- Group III represents 21.48% of States Parties to the Convention, or 5.155 seats;
- Group IV represents 8.88 % of States Parties to the Convention, or 2.131 seats;
- Group V(a) represents 25.93% of States Parties to the Convention, or 6.223 seats;
- Group V(b) represents 9.63% of States Parties to the Convention, or 2.311 seats.

7. In view of the regional grouping of the 135 States Parties, the *pro rata* calculation of the number of States Parties in each group results in the allocation of between 2.131 to 6.223 seats to each electoral group.

8. In regard to the distribution of seats within the Committee, however, **Rule 15.2 of the Rules of Procedure** of the Conference of Parties provides for a minimum of three seats and a maximum of six seats per electoral group.

9. At the second ordinary session, when electing the Members of the Committee, the Conference of Parties considered that Rule 15.2 of the Rules of Procedure should be applied to ensure that a minimum number of seats (3) be allocated to each electoral group and that the remaining seats be allocated *pro rata* to the other electoral groups (see detailed summary record of the second ordinary session of the Conference of Parties to the Convention on the Protection and Promotion of the Diversity of Cultural Expressions, CE/11/3.CP/209/4, paragraph 110).

10. The Conference of Parties used this method when renewing the Committee's membership at the elections held during the third and fourth ordinary sessions of the Conference of Parties (see detailed summary record of the third ordinary session of the Conference of Parties, CE/13/4.CP/4, paragraph 152, and the draft summary record of the fourth ordinary session of the Conference of Parties, CE/15/5.CP/4, paragraph 300).

11. For the purposes of the election of Members of the Committee at this fifth ordinary session, and in application of Rule 15.2, the Conference of Parties may consider applying the *pro rata* allocation of the remaining six seats as follows:

Table: *Pro rata* allocation of seats by electoral group

	GROUPS						Total
	I	II	III	IV	V(a)	V(b)	
Minimum number of seats distributed per electoral group (application of Rule 15.2)	3	3	3	3	3	3	18
<i>Pro rata</i> calculation* for the distribution of remaining 6 seats	23 SP (=20.90%)	23 SP (=20.90%)	29 SP (=26.36%)	N/A	35 SP (=31.82%)	N/A	110 SP (=100%)
Number of seats that could be allocated <i>pro rata</i>**	6 seats x 20.90% = 1.254 seats	6 seats x 20.90% = 1.254 seats	6 seats x 26.36% =1.581 seats	N/A	6 seats x 31.82% = 1.909 seats	N/A	6
Total number of seats that could be allocated per electoral group***	3 + 1.254 = 4.254	3 + 1.254 = 4.254	3 + 1.581 = 4.581	3	3 + 1.909 = 4.909	3	24

Methods of calculation in Application of Rule 15.2

* Total number of States Parties (SP) from electoral groups / Total number of States Parties = the proportion of States Parties from each electoral group in relation to the total

** Maximum number of seats (6) to be distributed among electoral groups x the proportion of States Parties from each electoral group = additional number of seats to be allocated *pro rata*

*** Minimum number of seats per electoral group + total number of seats to be allocated *pro rata* = total number of seats to be allocated per electoral group

12. The Conference of Parties will be required to agree on the distribution of the total number of vacant seats per electoral group. To that end it may take into account Rule 15.2 of the Rules of Procedure and if so, the calculations presented in the table in paragraph 11.

13. The Conference of Parties may wish to adopt the following draft resolution:

DRAFT RESOLUTION 5.CP 15

The Conference of Parties,

1. *Having examined Document CE/15/5.CP/15 and its Annexes;*
2. *Decides that, for the purposes of the election of the Members of the Committee at this session, the 12 seats will be distributed among the electoral groups as follows: Group I (...); Group II (...); Group III (...); Group IV (...); Group V(a) (...); Group V(b) (...).*
